#### ◇ *Why people like cast iron enamel cookware ?*

1. No seasoning required
2. Safe on all cook tops and in the oven to 475 degrees F
3. Flat bottoms are enameled as the france blue exterior
4. Easy to be cleaned
5. 10 1/2" Grill Pan: Cut the fat, retain the flavor. Ribbed base separates the fat from the food allowing for healthier cooking and sears food evenly with characteristic char lines

## Using Tips

: *Hand washing is recommended to preserve the cookware's original appearance*
