◇ *Why people like cast iron enamel cookware ?*

1. No seasoning required
2. Safe on all cook tops and in the oven to 475 degrees F
3. Flat bottoms are enameled as the france blue exterior
4. Easy to be cleaned
5. 10 1/2" Grill Pan: Cut the fat, retain the flavor. Ribbed base separates the fat from the food allowing for healthier cooking and sears food evenly with characteristic char lines

Using Tips

Hand washing is recommended to preserve the cookware's original appearance
